

# Stand

Bebo Norman

I'm walking in an open field looking for some space to fill  
I believe there's something left to hold  
So even when the sun goes down and there's no one around  
I'm standing in the freedom of my soul

And the truth of the matter is still the same  
It's that you and I, we will not be here forever  
The truth of the matter is still the same

I'm ready to stand  
I'm ready to stand  
I'm ready to stand  
I'm ready to stand

I can see the earth from here, I can see it shake in fear  
I can see it falling to its knees  
But you know I'm not the same, my burden is a burning flame  
I hold it up for all the world to see

I'm walking in an open field, looking for some space to fill  
I believe there's something left to hold  
And I can see the earth from here, I can see it shake in fear  
I'm standing in the freedom of my soul  
So even when the sun goes down, and there's no one around  
Even when the sun goes down, even when the sun goes down  
Even when the sun goes down, even when the sun goes down  
Even when the sun goes down, even when the sun goes down
