There's a blue bird at my window I can't hear the songs he sings All the jewels in Heaven They don't look the same to me

I just wade the tides that turned Till I learn to leave the past behind

It's only lies that I'm living
It's only tears that I'm crying
It's only you that I'm losing
Guess I'm doing fine

All the battlements are empty And the moon is laying low Yellow roses in the graveyard Got no time to watch them grow

Now I bade a friend farewell I can do whatever pleases me

It's only lies that I'm living It's only tears that I'm crying It's only you that I'm losing Guess I'm doing fine

Press my face up to the window
To see how warm it is inside
See the things that I've been missin'
Missin' all this time

It's only lies that I'm living
It's only tears that I'm crying
It's only you that I'm losing
Guess I'm doing fine
Guess I'm doing fine
