

# Nobody's Fault but My Own

Beck

Treated you like a rusty blade  
A throwaway from an open grave  
Cut you loose from a chain gang  
And let you go

And on the day you said it's true  
Some love holds, some gets used  
Tried to tell you I never knew  
It could be so sweet

Who could ever be so cruel?  
Blame the Devil for the things you do  
It's such a selfish way to lose  
The way you lose these wasted blues  
These wasted blues

Tell me that it's nobody's fault  
Nobody's fault but my own  
Tell me that it's nobody's fault  
Nobody's fault but my own

Tell me that it's nobody's fault  
Nobody's fault but my own  
Tell me that it's nobody's fault  
Nobody's fault but my own

When the moon is a counterfeit  
Better find the one that fits  
Better find the one that lights  
The way for you

When the road is full of nails  
Garbage pails and darkened jails  
And their tongues are full of heartless tales  
That drain on you

Who would ever notice you  
You fade into a shaded room  
It's such a selfish way to lose  
The way you lose these wasted blues  
These wasted blues

Tell me that it's nobody's fault  
Nobody's fault but my own  
Tell me that it's nobody's fault  
Nobody's fault but my own

Tell me that it's nobody's fault  
Nobody's fault but my own  
Tell me that it's nobody's fault  
Nobody's fault but my own

Tell me that it's nobody's fault  
Nobody's fault but my own  
Tell me that it's nobody's fault  
Nobody's fault but my own
