

# The Quick & The Dead

Bedouin Soundclash

Lone shy Mac kicked the bucket So why worry about the holes in  
my pockets So I ran with the quickness Rather then have to sit  
in the stillness

Ooooooooo Sing a song for the quick and the dead Ooooooooo Sing a s  
ong for the quick and the dead

Girl you live in a hurry Life comes at you in a furry And you g  
ot to be something Well that something turns to nothing

Ooooooooo Sing a song for the quick and the dead Ooooooooo Sing a s  
ong for the quick and the dead

So you worry about my life And the hours and the time Could I e  
ver compromise And I wonder about your life Do I ever come to m  
ind Did you have to let it die

Sing a song for the quick and the dead Ooooooooo Sing a song for  
the quick and the dead Ooooooooo Sing a song for the quick and th  
e dead Ooooooooo Sing a song for the quick and the dead
