Grease

I solve my problems and I see the light We gotta plug and think, we gotta feed it right There ain't no danger, we can go too far We start believing now that we can be who we are

Grease is the word

They think our love is just a growing pain Why don't they understand it's just a crying shame? Their lips are lying, only real is real We start to find right now, we got to be what we feel

Grease is the word Grease is the word, is the word that you heard It's got groove, it's got meaning Grease is the time, is the place, is the motion Grease is the way we are feeling

We take the pressure and we throw away Conventionality belongs to yesterday There is a chance that we can make it so far We start believing now that we can be who we are

Grease is the word Grease is the word, is the word that you heard It's got groove, it's got meaning Grease is the time, is the place, is the motion Now, Grease is the way we are feeling

This is the life of illusion Wrapped up in trouble, laced with confusion What are we doing here?

We take pressure and we throw away Conventionality belongs to yesterday There is a chance, we can make it so far We start believing now that we can be who we are
