

# O Father O Satan O Sun!

Behemoth

Akephalos  
Shine thru me  
Come forth in war  
Come forth in peace

Bring down the sun  
Extinguish all the stars  
Let me remain  
In splendor ov thy light

Bornless One  
As darkness bright  
Found not in tongues  
Found not in light

Bring down the rain  
Drain waters ov Styx  
Faustian luminary  
Redeem  
Blaspheme

Like a day without the dawn  
Like a ray void ov the sun  
Like a storm that brings no calm  
I'm most complete yet so undone

Agathos Daimon  
Ov plague and fever  
Thy name is nowhere  
Thy name is never

Liberate me  
Ignite the seeds  
Bind not to guilt  
Ignis Gehennalis

O Father  
O Satan  
O Sun  
Let the children come to thee  
Behold the morning star

Akephalos  
Shine thru me  
Come forth in war  
Come forth in peace

Like a day without the dawn  
Like a ray void ov the sun  
Like a storm that brings no calm  
I'm most complete yet so undone

O Lion-Serpent Sun, The beast that whirlest forth,  
a thunder-bolt, begetter of life!  
Thou that flowest! Thou that goest!  
Thou Satan-Sun, Hadith, that goest without will!  
Thou Air! Breath! Spirit! Thou without bound or bond!

Thou essence, air swift-streaming, elasticity!  
Thou wanderer, father of all!  
Thou wanderer, spirit of all!

Hear me, and make all spirits subjects unto me;  
so that every spirit of the firmament and of the ether,  
upon the earth and under the earth,  
on dry land and in the water  
of whirling air, and of rushing fire,  
and every spell and scourge of god  
may be obedient unto me.

Thou spiritual sun! Satan, thou eye, thou lust!  
Cry aloud! Cry aloud!  
Whirl the wheel, O my Father, O Satan, O Sun!
