

# The Alchemist's Dream

Behemoth

Welcome to Theatre of Absurd  
When the world and rason are audience  
And actor illusion and experience only

Here gleams shiny mandala  
In the chamber of creation and annihilation  
And Lingam links with Yoni wisdom stone make

There is neither space nor time  
Books are read backwards or from all side  
Everything Will sinks and tears down phantom of mourning

Picture of universe in this simple formula -  
"Love is the Law"  
Proverb of juggler on the gate engraved  
That life is delight  
That death is also life

This is the introduction to the world ruled by Law of new Aeon,  
when  
Newtonian-Cartesian paradigm doesn't exist, limits of time and  
space are abrogated,  
and Will & Love are keys to experience the joy of existence.
