

# Here Comes My Baby

Belinda Carlisle

Hello, it's me  
The one who told you no  
I don't care if you don't like it  
But I had to let you know  
That love is at the door  
And it's pounding to be let in  
There's angels on the ceiling  
My heart is on the floor  
And I can't just be your friend

Here comes my baby, walking back to me  
Here comes my baby, for all the world to see  
Why don't you stay 'til tomorrow  
I don't wanna let you go  
Here comes my baby

How long did I  
Refuse to see the light  
How could I deny  
It must have been my pride  
You say you're on your way  
Before you go I'll be there  
I've felt a resurrection  
All my senses have returned  
Oh, this I swear  
It won't be long  
(I tell, I tell myself)  
Just be strong  
(I tell, I tell myself)  
Here comes my baby, walking back to me  
Here comes my baby, for all the world to see  
Why don't you stay 'til tomorrow  
I don't wanna let you go  
Here comes my baby
