

# I Need More Of You

**Bellamy Brothers**

Hearts burning, like devilly fire  
Flames changin my love to desire  
say, my heart is screamin to say:  
Girl, we got to go on away.

I need more of you, changin my rain into sun  
more of you, put on my blues on the run  
I need more of you, darling, I need more love you  
More, anything less wouldn't do.

We, ain't we together too long  
Strange, how did our love get so strong  
there's nothing to keep us apart  
we got to catch up our hearts

I need more of you, changin my rain into sun  
more of you, put on my blues on the run  
I need more of you, darling, I need more love you  
More, anything less wouldn't do.

I need more of you, changin my rain into sun  
more of you, put on my blues on the run  
I need more of you, darling, I need more love you  
More, anything less wourdn't do.
