

Belle And Sebastian

Belle and Sebastian

I left my school I left my job
You saw me looking like a slob
When I was young you were the only fun in town

Everyone thought it was a shame
For Belle and the boy Sebastian
Belle was OK but oh, Sebastian

Went too far again, crashed his car in the rain

He wants to love and he wants to care
But when the girls hear that they think he's so square
Sebastian for once just leave your troubles home (2x)

She goes to school around the way
The boys are queueing up to tell her she's a star
Poor Sebastian is heading for a fall

Everyone though it was a shame
For Belle and the boy Sebastian
Everyone thought it was a shame
Belle was OK but oh, Sebastian

Went too far again, crashed his car in the rain

Oh Sebastian wrote his diary that he would never be young again

But you will, fellow you are ill
You better take a weight off of your mind and listen

To what other people say
Cause things are going wrong your own way
