

I Don't Love Anyone

Belle and Sebastian

I don't love anyone
You're not listening
You're playing with something
You're playing with yourself

I don't love anyone
You're not listening even now
You're playing with someone
You're playing with someone else

And if there's one thing that I learned when I was still a child
It's to take a hiding

I don't love anything
Not even Christmas
Especially not that
I don't love anything

No, I don't love anyone
Well maybe my sister
Maybe my baby brother too, yeah
I don't love anyone

But if there's one thing that I learned when I was still a child
It's to take a hiding
If there's one thing that I learned when I was still a child
It's to be alone

If there's one thing that I learned when I was still a child
It's to take a hiding

Out in the street today
The kids are out playing, having fun
Well I pass them by I'm not a kid, no
I don't love anyone

I met a man today
He told me something pretty strange
There's always somebody saying something
He said, the world is as soft as lace.

But I don't love anyone
I don't love anyone
I don't love anyone
I don't love anyone
I don't love anyone
I don't love anyone
I don't love anyone
I don't love anyone

If there's one thing that I learned when I was still a child
It's to take a hiding
