## The Rollercoaster Ride

## **Belle and Sebastian**

Hey people, looking out the window at the city below Hey people, looking out the window, full of fun and sorrow Hey people, looking out the window at the city below Hey people, looking out the window, you'll be gone tomorrow

The rollercoaster ride
The rollercoaster ride
Of all the trouble kept her inside

Take Judy, with her bow and arrow, she's a mastermind Too frumpy for the teenage population of her time Car coat, she has a quilted jacket with a hood if it rains Big pockets for the pharmaceuticals she takes to fix her brain

The rollercoaster ride
The rollercoaster ride
Of all the trouble kept her inside
Of all the trouble kept her inside

A puzzle, for the moment settle down to do it with him You're happy cause your cosy and the rain comes rattling in It tickles, and it's something that is very good for the skin You're waiting for a baby, baby, watch the idiot running

You're hanging from the balcony upon the riverboat glass You're watching with your mouth wide open for the top of the cl ass

She came on with the boys while you were stuck in various poses If you were to remove your clothes d'you think the singer would notice?
