

Are You Experienced

Belly

Written by Jimi Hendrix.
If you can just get your mind together,
And come on across to me.
We'll hold hands
And then we'll watch the sunrise from the bottom of the sea.
But first, are you experienced?
Have you ever been experienced?
I have (I have). I've.
I know you probably scream and cry,
But your little world won't let you go.
But who in your mealsy little world are you trying to prove
To you that you're made of gold.
So, are you experienced?
Have you ever been experienced?
I have (I have). I have been.
Trumpets and violins I hear in the distance.
I think they're calling our names.
Maybe now you can live and that you would.
If you're lonely,
Hold my hand.
But first, are you experienced?
Have you ever been experienced?
Are you experienced?
Have you ever been experienced?
I have.
