

## In Death

Belphegor

Cruelty is - your life that binds  
Insanity is - your flesh that blinds  
Mighty is - your teacher this pain  
Your prison - your wish to attain

Burn my moral - restriction  
Beyond excruciating constriction  
Beyond the flesh - to wander free  
Beyond the flesh, the soul of me

A cruel master - I hearken unto thee  
Disease and suffering - shall set you free  
Let death - dance as a knife  
The steps in time - to bleeding strife

Burn my moral - restriction  
Beyond excruciating constriction  
Beyond the flesh - to wander free  
Beyond the flesh, the soul of me

Burn my moral - restriction  
Beyond excruciating constriction  
Beyond the flesh - to wander free  
Beyond the flesh, the soul of me  
IN DEATH!
