

## Lions

Ben Haenow

I don't know either.  
Someone else please add lyrics.  
Well, I could've added lyrics.  
But I'm a lazy prick.  
So.

Ah well, actually I stopped writing.  
And tried to submit.  
But this damn thing,  
So I got to keep on writing this.  
Ahhh... somebody help!

But this song is great.  
Well, I don't know what else to add.  
Okay... I'll try submitting this.  
And if I stop continuing this,  
then I succeed in doing this.
