Another Lonely Day

Ben Harper

- Yes indeed, I'm alone again and here comes emptiness, crashing in it's either love or hate, I can't find in between cause I've been with witches, and I've had a queen
- R: It wouldn't have worked out any way so now it's just another lonely day further along we just may but for now it's just another lonely day
- 2. Wish there was something, I could say or do I can resist anything, but temptation from you but I'd rather walk alone, then chase you 'round I'd rather fall myself, then let you drag me down
- R: It wouldn't have worked...
- 3. Yesterday seems, like a life ago cause the one I love, today I hardly know you I held so close in my heart, oh dear ya grow further from me, with every fallen tear
- R: It wouldn't have worked...
