

# No More Words

Berlin

You're talking, it all sounds fair  
You promise your love, how much you care  
I'm still listening and still unsure  
Your actions are lacking, nothing is clear

No more words  
You're telling me you love me while you're looking away  
No more words  
No more words and no more promises of love

Remember when the words were new  
They carried a meaning, a feeling so true  
Well, I'm looking for a long romance  
Not a picture of passion or one time chance

No more words  
You're telling me you love me while you're looking away  
No more words  
No more words and no more promises of love

But don't fool yourself  
Your empty passion won't satisfy me, I know  
So don't pretend that you want me  
You don't want me, no

No more words  
You're telling me you love me while you're looking away  
No more words  
No more words and no more promises of love

We make love, and it's all the same  
Your eyes show nothing, no lover's flame  
Well, don't promise we can work it out  
You can leave right now if you're feeling doubt

No more words  
You're telling me you love me while you're looking away  
No more words  
No more words and no more promises of love

No more words  
You're telling me you love me and looking away  
No more words and no more promises  
No more words and no more promises

No more words  
You're telling me you love me while you're looking away  
No more words  
No more words and no more promises of love

No more words and no more promises  
No more words and no more promises of love  
No more words and no more promises of love  
No more words and no more promises of love
