

Abigail

Bertine Zetlitz

Beautiful Abigail's got demons in her pockets
And I, I, I, I
Have seen her chasing down the hall
Beautiful Abigail's got diamonds in her sockets
And I, I, I, I
Have seen her walking through the wall
Who do you call
What do you call it
Who do you call when something goes wrong
Abigail

Abigail
Beautiful Abigail she's done a lot of thinking
And I, I, I, I
Will always fear her kind of grin
Beautiful Abigail is very happy sinking
And I, I, I, I
Will crumble when I win
Who do you call
What do you call it
Who do you call when something goes wrong
