

Be Lifted High

Bethel Music

Be lifted high
Be lifted high
For your glory
Be lifted high

You're the king of all the ages
You're the author of salvation
You're the reason why we're singing
For your glory
Lord release the sound of Heaven
Let it rise in every nation
We will join the anthem singing
For your glory

You're the Everlasting Father
You're the all consuming fire
You're the reason why we're living
For your glory
We will be a generation
Calling down the reign of Heaven
We will join the anthem singing
For your glory

Be lifted high, be lifted high
Higher and higher Lord
Be lifted high, be lifted high
Higher and higher Lord
