Be Lifted High

Bethel Music

Be lifted high Be lifted high For your glory Be lifted high

You're the king of all the ages You're the author of salvation You're the reason why we're singing For your glory Lord release the sound of Heaven Let it rise in every nation We will join the anthem singing For your glory

You're the Everlasting Father You're the all consuming fire You're the reason why we're living For your glory We will be a generation Calling down the reign of Heaven We will join the anthem singing For your glory

Be lifted high, be lifted high Higher and higher Lord Be lifted high, be lifted high Higher and higher Lord
