

Catch the Wind

Bethel Music

I am strong and full of life
I am steadfast, no compromise
I lift my sails, to the sky
I'm gonna catch the wind
I'm gonna catch the wind

I am bold, no fear inside
Spread my wings, open my life
Like an eagle, whose home is the sky
I'm gonna catch the wind
I'm gonna catch the wind

Your faithfulness will never let me down
I'm confident I'll see Your goodness now
I know You hear my heart, I'm singing out
There's nothing that can stop Your goodness now

I am bold, no fear inside
Spread my wings, open my life
Like an eagle, whose home is the sky
I'm gonna catch the wind
I'm gonna catch the wind

Your faithfulness will never let me down
I'm confident I'll see Your goodness now
I know You hear my heart, I'm singing out
There's nothing that can stop Your goodness now

Like standing on the edge
Of a mountainside
I can feel the wind stirring
Lifting me up high
I was born into freedom
I was made to fly

I am strong and full of life
I am steadfast, no compromise
I lift my sails, to the sky!
I'm gonna catch the wind
I'm gonna catch the wind!

Your faithfulness will never let me down
I'm confident I'll see Your goodness now
I know You hear my heart, I'm singing out
There's nothing that can stop Your goodness now

I am strong and full of life
I am steadfast, no compromise
I lift my sails to the sky
I'm gonna catch the wind
