

One Thirst

Bethel Music

You say to us, "Seek My Face"
Our hearts reply, "Your Face we seek"
We seek

Come teach us Lord, reveal Your ways,
Anoint us for, the greater things
Greater things

We have gathered with one thirst and hunger
Here to drink of (lift up) glory and wonder
Here to cry out, "Come and fill this place!"

Our single wish, our sole desire
To gaze upon, Your beauty God

We will not rest, nor will we cease
Till with our eyes, Your face we see
We see

We wait for you to come and show
Your glory here today

We wait for You...
Hallelujah, Come
