

# Starlight

Bethel Music

You're like starlight in the dark  
Endless miles can't conceal You  
And every glimmer is a spark  
Catching fire as You break through

Oh, You're not far away  
You're coming close  
And oh, even as I wait  
You're coming close

You're like summer in the night  
The sun goes down but still I feel You  
And every shadow's turning bright  
Every broken heart is made new

Oh, You're not far away  
You're coming close  
And oh, even as I wait  
You're coming close

And there's no heart unseen  
There's no space between  
You and I  
You and I  
You are closer than  
The very oxygen  
I'm breathing in  
Oh, I breath You in  
You are God with us  
You are here with us  
Immanuel!  
Immanuel!  
You are infinite  
Your glory has no end  
Jesus!  
Jesus!

There's no heart unseen  
There's no space between  
You and I  
You and I  
'Cause You are closer than  
The very oxygen  
I'm breathing in  
Oh, I breath You in  
You are God with us  
You are here with us  
Immanuel!  
Immanuel!  
You are infinite  
Your glory has no end  
Jesus!  
Jesus!

Oh, You're not far away  
You're coming close  
And oh, even as I wait

You're coming close

'Cause You're like starlight in the dark  
Endless miles can't conceal You  
And every glimmer is a spark  
Catching fire as You break through...
