

You Don't Miss a Thing

Bethel Music

When You stand
I feel the floor of Heaven tremble
As You breathe
We live and have our being
When you speak
Oh I feel it in my chest
When You sing
All my fears are put to rest

What a wondrous thing
I can stand to sing
Cause when I fall to my knees,
You're the one who pulls me up again

What a mystery
That You notice me
And in a crowd of ten thousand
You don't miss a thing
You don't miss a thing

When you sigh
The wind becomes a sonnet
When you laugh
The storm around me ceases
You whisper
And all my enemies are scattered
You surround me
With angels on assignment

What a wondrous thing
I can stand to sing
Cause when I fall to my knees
You're the one who pulls me up again

What a mystery
That you notice me
And in a crowd of ten thousand
You don't miss a thing
Cause you see everything

And I have seen
And I have known
Of the king of kings
And lord of lords

There's no place I can go
Where your love won't find me
No place I can hide
That you don't see
There's no place I can fall
Where your love couldn't catch me
You see it all, you see it all
Through the eyes of love

There's no place I can go
Where your love won't find me
No place I can hide

That you can't see
No place I can fall
Where your love wouldn't catch me
You see it all, you see it all
And you're in everything, you're all around me

There's no place I can go
Where your love won't find me
No place I can hide
That you don't see
When I misunderstood
Your love understands me
You see it all, you see it all
You're in everything

There's no place I can go
That you won't find me
There's no place I can hide
That you don't see
No place I could fall
Your love wouldn't catch me
You see it all, you see it all
Through the eyes of love
