

Something New

Better Off

I've been looking for something,
But I'm not quite sure exactly what I'm looking for. I'm just walking blind.
I'm still searching for one thing,
But I don't quite know where I'm going anymore.
Am I wasting all my time?

I'm in desperate need of change.
Anything besides the same old shit,
Cause in my life it's all the same.
And I'm in desperate need of change.
I need something different.
I need to change my ways.

I'm still driving in circles,
And I don't know where to turn.
I always end up where I began.
And I guess, I'll never know.
What it's like
On the other side of the fence.

I'm in desperate need of change.
Anything besides the same old shit,
Cause in my life it's all the same.
And I'm in desperate need of change.
I need something different.
I need to change my ways.

And they say,
"The grass ain't always greener on the other side."
But how will I ever know,
If there's no change in my life?
And they say,
"The grass ain't always greener on the other side."
But how will I ever know,
If there's not change in my life?

I'm in desperate need of change.
Anything besides the same old shit,
Cause in my life it's all the same.
And I'm in desperate need of change.
I need something different.
I need to change my ways.
