

Just One Day

Better Than Ezra

If you could change the choices that you made,
would you do it- today?

If you could spin the world the other way,
could you do it on faith?

If time would stand still,

What would you do? What would you say?

If everyone you love came back for just one day?

How would it feel if every dream came real?

and all the scars you have fade away

for just one day

Imagine all the times you that could take back

What would you have done differently?

Thoughts in your head you never said

or a heart that you broke and left for dead

If all the pain you had could be released

How life flies by.

What would you do? What would you say?

If everyone you love came back for just one day

How would it feel if every dream came real

and all the scars you have fade away?

for just one day

and the night

all the good times and the fights

all the take and the give

all the moments that we never got to live

Ohhh.....

What would you do? What would you say?

if everyone you love came back for just one day

how would it feel if every dream came real

and all the scars you have fade a way

repeat

For just one day (x's 2)

If you could change the choices that you made,
would you do it- today?
