

# Ghost Town

## Beware of Darkness

Heaven can smile above me,  
As they watch me drag my chains to hell.  
Angels, they die above me,  
Raining down from the sky to kiss the desert ground.

Mmmn... Hmmn...  
I feel my end is coming now,  
I walk alone inside this ghost town.  
Mmmn... Hmmn...  
Baby won't you kill me now?  
Kill me dead inside this ghost town.

I watched the moon fall dead.  
It's such a lovely feeling to know I'm better off.  
Kill me, please!  
Heaven's gates are closed, I'm here forever it seems.

Mmmn... Hmmn...  
Baby, won't you kill me now?  
I walk alone inside this ghost town.  
Mmmn... Hmmn...  
I feel my time is running out.  
I walk alone inside this ghost town.

Walk it out now.

Mmmn... Hmmn...  
I feel my time is running out.  
I walk alone inside this ghost town.  
Mmmn... Hmmn...  
Baby won't you kill me now?  
Kill me dead inside this ghost town.

I bear my conscience  
Day by day,  
Night by night,  
Year by year,  
Life and death,  
Breathe by breathe,  
Whore by whore,  
Pore by pore.

I want to die. I've been alive too long.

Where's my savior?  
Where's my savior?  
Where's my savior?  
Where's my savior?
