

i was just outa high school in my first band:
i married my drummer. our love was grand.
i thought it was forever - 'til death do us part.
then he cheated on me and he broke my heart.

so young, so confused. what was i to do?
i'm so sorry, chotee, but i couldn't keep you.
i hope you can forgive me:
my baby, chotee, forgive me:

me and him were fighting on the road for two years.
he never loved me anyway. still brings me to tears.

he didn't really want you - 'cause he didn't want me.
didn't wanna be a husband, didn't wanna be a daddy.
i hope you can forgive me:
my baby chotee, forgive me:

so long, my baby.
