

# Judas Unrepentant

Big Big Train

Venetian expertise  
Inspired by Titian  
Which he modified  
Fine tuned along dutch lines

He's painting revenge  
Embittered by lack of success

With signature techniques  
Attention to details  
And fine tell tale brushstrokes  
Of badger and sable

Expressing contempt  
For greedy dealers  
Getting rich  
At the artist's expense

Infamous forger and restorer  
Judas Unrepentant  
Branded a charming old lovable rogue  
Judas Unrepentant  
Hey  
Judas Unrepentant  
Hey  
Judas!

His time bombs are in place  
And anachronisms  
Clues pointing to the truth  
If ever they are X-rayed

Wrote legends in lead white  
To trick the experts  
And hoodwink  
Hoodwink the trained eye

Infamous forger and restorer  
Judas Unrepentant  
Branded a charming old lovable rogue  
Judas Unrepentant  
Hey  
Judas Unrepentant  
Hey  
Judas Unrepentant

Establishing provenance  
Acquiring old frames with Christies numbers  
Then paints a picture in the same style  
Specialising in minor works by major artists

All rise  
Thirteen watercolours by Samuel Palmer  
Have proven to be his undoing  
And so he confesses then he is arrested  
Charged him with conspiracy to defraud

Years of chain smoking and breathing in fumes from restorations  
The stress of the court case had taken it's toll  
His trial was halted due to I'll health

So now we can all buy  
Real genuine fakes  
That's posthumous fame  
It's always the same

Infamous forger and restorer  
Judas Unrepentant  
Branded a charming old lovable rogue  
Judas Unrepentant  
Feeling like Robin Hood  
Just as good  
As Rembrandt or Titian  
Hey  
Judas Unrepentant
