Find Out

Big D And The Kids Table

i gotta find out why i'm sticking around i gotta find out why i 'm always being pushed down, i gotta find out (get out, get out) i gotta find out (get out, get out) i gotta try and find a fr iend i gotta try and find a good place again, try and find my w ay i can't stay i can't stay they're gonna have to leave here s ometime, can't you see what's all around, they're gonna have to leave here sometime (i don't like this place i don't like your friends i don't like the way they all treat you i don't wanna stay i got things to do a slave in heaven or a star in hell) yo u're a star in hell [repeat]
