G.L.D.

Big D And The Kids Table

g.l.d. she's all over me she's a sketchy sketchy girl and i kno w that you'll agree, when i was invited to climb into her bed, i just rolled over and pretended i was dead, (she's an elf, it' s not ok, she's short - short, stupid - stupid so lame I want h er to leave me alone I want to go home) G.L.D. can't believe yo u brought her by, like lice from the sea can't believe she mult iplied, after clearing out the room don't you think you all sho uld leave, how'd you ever trick my friend how'd you brainwash s teve [chorus]
