Big D And The Kids Table

I could not ever see myself packing up and taking off just to f all asleep and work again

I will not count my sleep hours Let 'em all just have me all gr oggy and incoherent I just met a crazy girl who's sane so I'm n ot about to leave just yet

Only an idiot would say "right on I'll see ya" Just to go home and think what coulda been.

We've both finished ripping off all the labels on the pantry cans

We've all succeeded hurling the tv still plugged in down the fr ont stairs.

So Why not

Chorus:

'cause we can stay if we want to

She could not ever think of leaving everyone she knows is never all in the same place

The 8 hours she spends hardly working with this she would gladly replace

All she wants is what we want free time laughing with no design ated end

She told me "I will not be a slave to time, time must learn to roll with me" So why not

Chorus

'cause we don't care like they do

It cannot stop too many of us laughing each other on we cannot stop we need more trouble before the night is gone

So why not

Chorus

So why not

Chorus:

'cause we don't care like they do 'cause I'm not gonna stay as long as you do.
