(4:30 in the morning, Mira
You know what I mean, Mira
Let's get this money sorted and counted, word
Know what I mean, dame te culo mami
Give me my shit back, Mira, hey yo
Fat Joe and them is here now, word
Shine like marbles, collects diamonds
The remix, add on son
Politic for the real ones)

We get knots, like stockbrokers who own Marriotts Blast shots for all my niggas who splash cops The rich Corleone camp is here, thousand and one Corner son, fake a jack, you be a goner

Yo, control this rap like Napoleon Half-Mongolian, hold it, you owe me in Rock 'em like linolieum, yeah Lex, diamonds, shin'in like you rhymin' 929'n, Titanium glass, time to play that ass Whirlwinds of French, come movin' intense Time to pull again, release the shell, well Make 'em yell again, so sleek But I'm a be maxin' in suites Countin' your paper and countin' your sheeps Hittin' your chick in Jeeps Miraculously, attack your faculty, who wanna tackle me? You jack mack, kidnap 'em for free What?, you got heat, you better pop those We movin' like gestapos, through underground potholes That rock those, much land discoveries Chrome rims, sippin' bubbly Who livin' lovily, half a brick to cover me So dissin' me, come on now listen G, You's a dime I'm a key Thun, thun straight out of Sicily Now, back to the stash crib Joey Crack baggin' up cracks One love, give 'em Jeep bags, Kid!

Word life, I'll be the infamous Who leaks the witnesses, crack's the wickedest Run up in your crib, blast your kids Ain't no myth in this, shit's official I'll pistol-whip you with my Smith and Wesson Cause my investin' was sendin rappers to heaven Gives me an erection You need protection from the smooth assassin Who really moves at action, blastin' mothafuckas Execution fashion Now who's the fat one that you love to hate Catch you at your mother's wake, smack you Then I'll wack you with my snub 38 It doesn't take much to make me restless Look at my face and definite lose your breath Truck my face is Lexus You want to test this, so really?,

I'll make one call and have the whole WU comin' on the ferry I'm very dangerous and well-connected
I puff an L with Method, then try to
Decide who's next to fill his neck slit
So respected and admired the boss, retired your lost
Wu Tang, your terror squad, vaya con Dios!

You guys despise guys like us Guys like us, disgust like Spartacus You cuss and claim a bust You lust for a part of us, you thrust But can't touch Plus we far from any type of fellas you can trust Put the pressure on the mic, I biz Press to your chest, sound like sweat on my back We're having sex, tight-ass flex Pretty Pocahontas pussy sweet, like my new Tek Sis' got curves like a GS, 300 Lex My body's 95% alcohol, 5% cancer Sosa diamonds, Getty, Lucci, blaze it up like Bonanza Catch me in the cut, easy G's is burnin' my gut As I Remember my menage au trois was mired by sluts I questionmark your heart, punctuate your fate All your version predicates Done as well as you pronunciate In the (west) we're gonna break you off the isle Take C.O.s hostage arab style, no surrender

Yo, I'm all about business and enterprisin' Advisin' financial advisers on franchisin' the wider than horizons Divisin' ideas with master minders Movin' on a stash of diamonds First we get the cash, then we laugh like miners Don't get me wrong I'm a funny bastard But when it come to money, son, I'm not the one to laugh with I'm after for what cash can bring me brothers Me and my demon lovers blast and laugh at hyenas Back to Ringling Brothers believe them others You's the best, yet, and still I'm investin' mils on a hunch over lunch Puffin' on a Chesterfield, who wants to test The real scandalous I'm at the Sands in Los Angeles Plannin' hits with an ananymous philanthropist Spanish kids, close to God, like evangelists Choppin' niggas up and makin' sandwiches

Big shout to my man Raekwon, word is bond
