Ha Ha Ha
Do you see me now
you remember me the guy from the back of the class
that used to where the glasses the one you
used to laugh at look at me now brother do u like fruit
well I'm chewin your girls nipples
how do you like them apples asshole

IM laughing at you
IM laughing at you now you told me i was ugly
i was scared to crack a smile
Pun: Ha Ha Ha Ha Ha
IM Laughing at you now
Pun Ha Ha Ha Ha Ha
Im laughing at you

600 Benz 20 inch rims house on the hill hittin' mad skin На На На На На На На На It was all a scheme i used to load the teck with the magazine so i was mean but i still had a scheme 17 years young everything seemed fun still considered a veteran cause i feared none Pun's from the street where there aint no rules but carried heat cause he ain't no fool Aint no wrong for dollars in negative digits so debted followers and got rid of the quitters that never forget us cause we've been down since the Genesis 200 horse power to 400 Pegasus the messages don't sleep till its over next thing you know shorty seven feet tippin' over i'm still in the water drownin' Knights and murder till the immortal terror squad threw me a life preserver now im ice forever stomach bustin' out the white carrera life is better now niggas wanna rhyme together ay que sera! what can i do but take you to strive ay que hago! i hope the streets dont take me alive you wasted your life and refused the struggle while i aim for the sky pay dues and bubbles I WIN!

Now its not funny cause im hot and got a pot of money alot of hunnies around (Don't stop do the brown for me) my every wish is her command call her bitch she understands i reminisce how she used to dis me and my man check part of the plan she told my son i wasn't the man i aint gonna to stop till i got a heart in my hand I can silence the lamb but couldn't silence her cause she was as wild as a man with a bottle of liquor i'm not going to hit her i'm gonna debt her tonight double platinum now shes one in the tribe well in the ride now well in a fly gettin' high now no more whiteout send the cubans to provide now it's my world i demand my respect give me your girl or get slapped in your neck ain't nothin' change im still humble and modest and im always proud to admit i came straight from the projects hardy har har har

Don't you forget about me now
Don't Don't you forget about me now
Don't naw
Nah Nah Nah Nah....
Nah Nah Nah Nah....
Nah Nah Nah Nah....

Don't you forget about me now
I said don't..don't...don't
