

Love Train

Big & Rich

I see people gettin mad on CNN
Who's right... democrats or republicans
I don't care who's right or wrong
I know a way we can all get along

Let's take a ride
Let's take a ride on the love train
Unwind, we'll be chuga luggin all the way
Let's roll, like the stone playin all day hey
Let's take a ride
Let's take a ride on a love train

The whole color thing's never made sense to me
Who gives a hoot
If your red. yellow, purple or pink
We're all mixed up anyway
We might as well give each other a brake

And take a ride
Let's take a ride on the love train
Unwind, we'll be chuga luggin all the way
Let's roll, like the stone playin all day hey
Let's take a ride
Let's take a ride on a love train

So let's forget about the hatin
And the way the bulls are playin
Without Jordan on the team
And the high price of gasoline
And if your living in a bubble
Then I guess you got no troubles
But if your anything like me
Well then I bet you really need

To take a ride
Let's take a ride on the love train
Unwind, we'll be chuga luggin all the way
Let's roll, like the stone playin all day hey
Let's take a ride
Let's take a ride on a love train
