Beware

When you said it was over - you shot right through my heart Why you let these hoes tear what we had right apart Oooh, I was so mad; I should've seen this coming right from the start You should beware, beware, beware of a woman with a broken heart

Praying to a sky all black Looking at the stars like they finna talk back (woah) Looking at my phone like she finna call back (woah) But last night I feel like probably ended all that Cause by now she woulda sent a text in all caps Then another one tryna take all back Saying fuck you, I miss you or I hate you so much Cause girls only say "hate you" to the guys they love I know, I know, I know the highs, the lows it comes and goes; you say "be real" I try, I don't Cause you take anything and just make it everythang Kept my phone on silent ever since you got a ring (funny right?) And I never cheated (I mean, maybe once, twice) But one time don't change everything She ask why I don't feel the same, I'm still the same She's still insane and now she's saying
