

What I Want For Christmas

Big Tent Revival

Let me tell you what I want for Christmas
Let me tell you what I want this year
For the world to see the love of Jesus
And put away their doubts and fears
What I want for Christmas
I want the world to know, Jesus
That's what I want for Christmas

Hark the herald, angels sing
Come on and get excited
Come, see the new born King
Everybody is invited

Let me tell you what I want for Christmas
Let me tell you what I want this year
For the world to see the love of Jesus
And put away their doubts and fears
What I want for Christmas
I want the world to know, Jesus
That's what I want for Christmas

Hey, come along with me
Together we can show them
They will be eternally grateful
Just to know Him

Let me tell you what I want for Christmas
Let me tell you what I want this year
For the world to see the love of Jesus
And put away their doubts and fears
What I want for Christmas
I want the world to know, Jesus
That's what I want for Christmas
