Bikini Kill

Hello, hello, hello, hello
Hello, hello, hello, hello
Hello, hello, hello, hello
Hello, hello

Where is your next show?
In Honolulu
Where is your next show?
In Honolulu

Where is your next show?
In Honolulu
Do we get to go there for free?
Oh yes we do

But not with you
Oh yes we do
But not with you
Oh Everett True

Where are you?
Who is gonna put in our tape-deck?
Who is gonna carry the bass-amp?
Who is gonna buy us a van?

I could be you
It will come true... oh
