

## Lowest Form

Bile

You are my life, my phantom god.  
You've got all I desire.  
You're not me, that's the strongest point of you.  
Abnormal lust, infects my blood.  
You are all I admire.  
I am the lowest form of you.  
Piss all over me, I piss all over you.  
Despise my life, 'cause I'm not you.  
I know that I'm a liar.  
I am the lowest form of you.  
I beat myself for you.  
I give myself for you.  
I'll do anything to, anything to meet you.  
I'll lose myself for you.  
I end myself for you.  
I'll do anything to, anything to make you...piss all over me.  
I am the lowest form of you.
