

Leave Your Hat On

Bill Wyman

Baby, take off your coat real slow
Now take off your shoes
Yeah, I'll take your shoes
Baby, take off your dress, yes, yes

You can leave your hat on
You can leave your hat on
Leave your hat on

Go over there, turn on the lights
No, all the lights
Now come back here, stand on this chair
Come here, that's right

Raise your arms up in the air
And shake 'em

You give me reason to live
Reason to live, reason to live
Reason to live, live, live, live, live

Suspicious minds are talking
There tryin' to tear us apart, tear us apart
They say my love is wrong
They don't know what love is

They don't know what love is
They don't know what love is
Know what love is
I know what love is

Leave your hat on
So leave your hat on
Leave your hat on
Leave your hat on

Leave your hat on
You gotta leave your hat on
Leave your hat on
Leave your hat on

Leave your hat on
Leave your hat on
Leave your hat on
So leave
