Billy Bragg

Who can guess the secret of the sea? Who can guess the secret of the sea? If you can guess the secret of my love for you We can both know the secret of the sea Tell me could you ever tell the secret of the sea? Of these high rolling waves along the shore? The footprints of the lovers that come here to love By the tides washed away forever more Who can guess the secret of the sea? Who can guess the secret of the sea? If you can guess the secret of my love for you We can both know the secret of the sea You claim to know the secret of a kiss and a hug And the secret of grass and of the trees And if you can tell the secret of a warm friends hand Then we all would feel the secrets of the sea Who can guess the secret of the sea? Who can guess the secret of the sea? If you can guess the secret of my love for you We can both know the secret of the sea
