

# Captain Jack

Billy Joel

Saturday night and you're still hangin' around  
You're tired of livin' in your one-horse town  
You'd like to find a little hole in the ground  
For a while

So you go to the village in your tie-dye jeans  
And you stare at the junkies and the closet queens  
It's like some pornographic magazine  
And you smile

Captain Jack will get you high tonight  
And take you to your special island  
Captain Jack will get you by tonight  
Just a little push and you'll be smilin'

Your sister's gone out. She's on a date  
And you just sit at home and masturbate  
Your phone is gonna ring soon but you just can't wait  
For that call

So you stand on the corner in your New English clothes  
And you look so polished from your hair down to your toes  
Ahh, but still your finger's gonna pick your nose  
After all

But Captain Jack will get you high tonight  
And take you to your special island  
Captain Jack will get you by tonight  
Just a little push and you'll be smilin'  
Oh yeah...

So you decide to take a holiday  
You got your tape deck and your brand new Chevrolet  
Ah, there ain't no place to go anyway  
What for?

So you got everything, aw but nothing's cool  
They just found your father in the swimming pool  
And you guess you won't be going back to school  
Anymore.

But Captain Jack can get you high tonight  
And take you to your special island  
Aw Captain Jack will get you by tonight  
Just a little push and you'll be smilin'  
Ooh yeah...

So you play your albums, and you smoke your pot  
And you meet your girlfriend in the parking lot  
Oh but still you're aching for the things you haven't got  
What went wrong?

And if you can't understand why your world is so dead  
Why you've got to keep in style and feed your head  
Well you're 21 and still your mother makes your bed  
And that's too long

But Captain Jack will get you high tonight  
And take you to your special island  
Well now Captain Jack will get you by tonight  
Just a little push and you'll be smilin'

Oh Captain Jack will get you high tonight  
Take you to your special island  
Well now Captain Jack will make you high tonight  
Just a little push and you'll be smilin'

Yeah Captain Jack will get you high tonight  
And take you to your special island  
Captain Jack will make you high tonight  
Well now Captain Jack will make you high tonight
