Am I Black Enough For You

Billy Paul

Am I black enough for you Am I black enough for you Am I black enough for you Am I black enough for you

We're gonna move on up One by one We ain't gonna stop Until the work is done

Am I black enough Black enough for you Am I black Black enough for you

We're gonna move on up Two by two And this whole world Is gonna be brand new

Am I black enough for you Am I black enough for you

Get in line Stop marching in time You better make up your mind We're gonna leave you behind

We're gonna move on up Three by three We gotta get rid of poverty

I got to stay black Black enough for you I got to stay black Black enough for you

We're gonna move on up Four by four We ain't never Gonna suffer no more

I got to stay black Black enough for you I got to stay black Black enough for you

Get in line Stop marching in time You better make up your mind We're gonna leave you behind

Make up your mind Stop marching in time Get in line You better make up your mind We're gonna get on up Five by five And this whole world Is gonna come alive

Am I black Black enough for you Am I black enough for you

We're gonna move on up Six by six I gotta use my mind Instead of my fists

Am I black Black enough for you Am I black Black enough for you

We're gonna move on up Seven by seven We're God's children And we got to get to Heaven

Am I black enough for you Am I black enough for you

We gotta move on up Eight by eight Without no witness We ain't too late

Am I black Black enough for you Am I black Black enough for you

Freedom, freedom
It got to be spended
I could take it
If I could spend it one time

We got to stay
Black enough for you
I gotta, gotta black
Black enough for you...
