

# Ain't No Good Goodbye

Billy Ray Cyrus

Look at me, darlin'  
Look in my eyes  
As well as you know me  
You fill my wild  
Words don't come easy  
From a man's broken heart  
To think that I love you  
You'd even have to part

Lonely  
Yes my world was so lonely  
Till you  
Walked into my life  
And now there's a sigh  
And tears fill our eyes  
'Cause there ain't  
No good goodbye  
Baby, mmm, my baby  
There ain't no good goodbye

Mmm hmm hmm  
Mmm hmm hmm  
Mmm hmm hmm  
Mmm hmm hmm  
Mmm hmm  
Mmm hmm hmm  
Mmm hmm hmm  
Mmm hmm hmm  
Mmm hmm hmm  
Mmm hmm

Lonely  
Yes my world was so lonely  
Till you  
Walked into my life  
And now there's a sigh  
And tears fill our eyes  
'Cause there ain't  
No good goodbye  
Baby, mmm, my baby  
There ain't no good goodbye
