

# Stronger

Billy Squier

I will live for you--I want you to believe in me  
Cause I believe in you--I know how strong the fire can be  
I been searchin' all my life  
To find a cause worth fightin' for  
When you came into my life  
This feelin' cuts right through  
I feel it gettin' stronger  
Stronger every day  
Stronger through the night  
Stronger for the pain  
'Cause we made it all right  
Stronger when we kiss  
After every fight  
There's no stronger love than this  
Baby hold on tight

I'll be there for you--no matter what the odds will be  
When I reach out for you--I know that you'll be there for me  
When I look upon my life  
I see the ground I walked before  
Tears have fallen like the rain  
Life changes we go through  
They make us even stronger

Stronger every day  
Stronger through the night  
Stronger for the pain  
'Cause we made it all right  
Stronger when we kiss  
After every fight  
There's no stronger love than this...baby, baby  
Stronger in your arms  
Stronger on my own  
Stronger than the fear of bein' alone

And if we live a thousand lifetimes  
They could never tear us apart  
Our dream can last forever  
I feel the beat in my heart

Stronger in your arms  
Stronger on my own  
Stronger than the fear of bein' alone  
Stronger when we kiss  
After every fight  
Stronger for the pain  
'Cause we made it all right

I'll be there for you--you'll be there for me  
'Stronger' is the word and I know we'll be  
Stronger every day  
Stronger through the night  
There's no stronger love than this  
Baby hold on tight
