Go, go, tell everybody Go, go tel, tell everybody, go Go tell, tell everybody go Go tell, tell everybody go Go tell it on the mountain Over the hills and everywhere Go tell it on the mountain That Jesus Christ is born Go tell it on the mountain Over the hills and everywhere Go tell it on the mountain That Jesus Christ is born While shepherds kept their watching For silent flocks by night Behold throughout the heavens There shone a holy light Go tell it on the mountain Over the hills and everywhere Go tell it on the mountain That Jesus Christ is born Go tell it on the mountain Over the hills and everywhere Go tell it on the mountain That Jesus Christ is born The shepherds stirred and trembled When lo, above the earth Rang out the angels calling That hail our savior's birth Go tell it on the mountain Over the hills and everywhere Go tell it on the mountain That Jesus Christ is born Go tell it on the mountain Over the hills and everywhere Go tell it on the mountain That Jesus Christ is born Tell me the lowly savior A humble cloth was worn And then there was the vision And on the crib was born Go tell it on the mountain Over the hills and everywhere Go tell it on the mountain That Jesus Christ is born You better go tell it on the mountain Over the hills and everywhere Go tell it on the mountain That Jesus Christ is born That Jesus Christ is born That Jesus Christ is born
