

# Song of the Islands

**Bing Crosby**

Islands of Hawaii  
Where skies of blue are calling me  
Where balmy air and golden moonlight  
Caress the waving palms of Wai KiKi

Valleys with their rainbows  
Your mountains green, and deep blue sea  
Your fragrant flowers and dreamy music  
Unite and sing a aloha-hi to me

Islands of Hawaii  
Where skies of blue are calling me  
Where balmy air and golden moonlight  
Caress the waving palms of Wai KiKi

Valleys with their rainbows  
Your mountains green, and deep blue sea  
Your fragrant flowers and dreamy music  
Unite and sing a aloha-hi to me
