

Well, Did You Evah!

Bing Crosby

I have heard among this clan
You are called a forgotten man

Is that what they're sayin'?
Well, did you evah!
What a swell party this is!

And have you heard the story of
A boy, a girl, unrequited love?

Sounds like pure soap opera

I may cry

Tune in tomorrow

What a swell party this is
What frills, what frocks

What broads

What furs, what rocks

They're beautiful

Why, I've never seen such gaiety

Neither did I!

It's all just too, too exquis, really

This French champagne

Domestic

So good for the brain

That's what I was gonna say!

You know you're a brilliant fellow?

Thank you

Drink up, chap.
Ah, please don't eat that glass, my friend.
Have you heard about dear Blanche?
Got run down by an avalanche.

No!

Don't worry.
She's a game girl, you know.
Got up and finished fourth.

This kid's got guts.

Havin' a nice time?

Grab a line

Have you heard that Mimsy Starr

Oh, what now?

She got pinched in the Astor bar

Sauced again, hey?

She was stoned!

Well, did you evah?

Never!

What a swell party this is!

It's great

Ah, it's great

It's grand

So grand

It's wonderland!

We sing

We sing

So rare

So rare

Like old Camembert

Like baba au rhum

Ba, ba, ba bum!

Don't dig that kind of crooning, chum!

You must be one of the newer fellows!

Have you heard?

It's in the stars

Next July we collide with Mars

Well, did you evah?

What a swell party, a swell party, a swellegant, elegant party this is!

I drink to your health

Nah! Let's drink to your wealth

You're my bon ami

Hey, that's French!

Liberty

Fraternity

Have you heard?

It's in the stars
Next July, we collide with Mars.
Well, did you evah?
What a swell party, swell party, swellegant, elegant party this is!
