Maybe, I know it□s just maybe And we□re only dreaming For how this will go, o-o-oh

But maybe, one day this daydream Would turn into real things For all that we know, o-o-oh

We could be doing anything that we love Just be carried by the way the wind blows, o-o-oh You could be doing anything you dream of If you believe in the things that make you strong

Someday, well meet on the high street Well laugh about when we Worried about what we might be

Then maybe, we□ll talk about old days We□ll smile in our old ways You□ll always be part of me

We could be doing anything that we love Just be carried by the way the wind blows, o-o-oh You could be doing anything you dream of If you believe in the things that make you strong

You could be doing anything you dream of If you believe in the things that make you strong

Maybe, I know it□s just maybe And we□re only dreaming For how this will go, o-o-oh

Just maybe The You could be doing anything you dream of Maybe The Maybe The
