

# Wings

Birdy

1. Sunlight comes creeping in  
Illuminates our skin  
We watched the day go by  
Stories of what we did  
It made me think of you  
It made me think of you

2. Under a trillion stars  
We danced on top of cars  
Took pictures of the state  
So far from where we are  
They made me think of you  
They made me think of you

R: Oh lights go down  
In the moment we're lost and found  
I just wanna be by your side  
If these wings could fly

Oh damn these walls  
In the moment we're ten feet tall  
And how you told me after it all  
We'd remember tonight  
For the rest of our lives

3. I'm in the foreign state  
My thoughts they've slipped away  
My words are leaving me  
They caught an airplane  
Because I thought of you  
Just for the thought of you

R: (2x)
